COLORADO**

HOW DO YOU BECOME A MARILLAC PATIENT?

Marillac is not a free clinic, but offers services at reduced rates on a sliding scale based on ability to pay. Answer these simple questions and you'll know if you should call and get the process rolling.

**Are you a Mesa
County Resident?**

If the Answer is 'yes'
move to the next square.

If the answer is 'no' – sorry,
you're not eligible

Are you a Veteran?

If the Answer is 'no'
move to the next square.

*Veterans may be eligible
for some Dental Services.*

**Do you have insurance?
Are you Medicare,
Medicaid Eligible?**

If the Answer is 'no' move to
the next square. *Insurance
such as CHP+ and Medicaid
is accepted for some dental
services.*

Congratulations. If you made it to this square, you may be eligible for services at Marillac Clinic.

You would still need to meet the income eligibility to become a Marillac patient. Marillac has recently expanded the income eligibility to include higher levels of income. As an example: A family of four could have an income as high as \$50,000. A single person could have an income as high as \$24,500. **Only an eligibility screener at Marillac will be able to give you a final decision about eligibility and your sliding scale co-pay.** If you think you might be eligible, go to the next square.

To make an appointment with an eligibility screener, call 255-6334 or 255-6353.

For Palisade, call: 464-5862. You will need to provide proof of residency (a valid Colorado Drivers license or ID card), Social Security Card, and proof of income (a current pay stub, or a prior year tax return, or an SSI statement, or an unemployment check stub.)
